## Time for slime making!

Recipe: 100ml PVA glue, 1/2 tsp bicarbonate of soda, green food colouring or paint, 1tsp contact lense solution.
It makes 1 small ball and takes 10 minutes!

What to do with the slime:
1. Play, observe, enjoy!
2. Shape aliens. How many can you make?
3. Give one to a grownup,
take one back, give two, etc.
How many have you got now?
4. Count them in 2s, 5s or 10s, if you can!
